

SHE-The Peacebuilder: Women's Inclusion in Transforming Violent Extremism

JULY 2024

SHE-THE PEACEBUILDER A SPECIAL PICTORIAL EDITION

Group of 75 Women Peace Architects from across Pakistan

Staff Report

Aurat Foundation (AF) is implementing a national level program for two years to raise an all-women peace architects (WPAs) cadre under the project 'SHE - The Peacebuilder' with the support of Search for Common Ground (SFCG), and in partnership with Kadam Communications and Consultants (KCC). Believing in the principle that social inclusion is the key to a tolerant and peaceful society, Religious and ethnic minorities, women Persons with Disability (PWDs) and Transgender Individuals (TIs) were included in the 75 Women Peace Architects (WPAs) group from different sections of society and cultural influencers. Over a 2-year-period, these WPAs were equipped with relevant information, knowledge and skills. These WPAs have become the trailblazers of a new dedicated journey for peace in Pakistan.

Dr. Masuma Hasan, President, Aurat Foundation, Ms. Anastasia Kolivas, Mr. Shahid Rahim, Programme Lead, SFCG, with other guests and WPAs at a Common Ground Approach (CGA) training in March, 2023, at Marriott Hotel, Karachi.

Impact and Achievements of SHE-The Peacebuilder Project

By Mumtaz Mughal

Aurat Foundation (AF), Search for Common Ground (SFCG), and in partnership with Kadam Communications and Consultants (KCC) made a strong footprint on the national agenda of peace through SHE-The Peacebuilder programme. Many activities and training were held with the WPAs and other stakeholders, including marginalised groups of society, over a period of two years.

Some achievements and impact of the programme:

- Launched a new peace initiative led by women at household, community and societal level for women's role in peacebuilding

Capacity building of Women Peace Architects and social inclusion lead to success of SHE-The Peacebuilder

The Constitution of Pakistan gives the security of person, no person shall be deprived of life or liberty save in accordance with law. All citizens are equal before law and are entitled to equal protection of law.

In 2000, the United Nations Security Council (UNSC) adopted Resolution 1325, the first time the international community formally recognized either the impact of conflict on women or the need to involve them as active agents in peacebuilding.

Women Peace Security (WPS) framework lie in the overall struggle for gender equality in Pakistan. Women's participation in peacebuilding is linked to women's social, economic, and political participation in the country.

In 2014, Government of Pakistan approved 20 Points National Action Plan (NAP) for countering terrorism and extremism from the Parliament. The NAP was revised in 2021.

Under "SHE-The Peacebuilder" project Aurat Founda-

tion engaged community women leaders (75-Women Peace Architects) from all over the country and built their capacity by educating them on how women can counter the challenge of extremism, and to promote peace and tolerance within the society, and role of women & youth in their respective communities.
